Project Manager & Flash Designer

2005-2006 | **Touchstones Nelson – Museum of Art and History**

As the Project Manager, I managed the development of the Touchstones website, <http://www.touchstonesnelson.ca>, and logo. I oversaw all aspects of development and advised regarding the technical components of the project including their e-commerce store. I also was contracted to create Flash for their website.

Member of the Board of Directors

2004-2005 | **Tech Village – West Kootenay, BC, Canada**

As one of the founding members of Tech Village (<http://www.techvillage.com>), I am currently serving on the Board of Directors. This organization is engaged in clustering high-tech and new media related businesses in the Kootenay region including Nelson, Castlegar, Trail, and Rossland.

Computer Science Instructor

2000 - 2001 | **Selkirk College - Castlegar, BC, Canada**

I taught Internet Design and Website Management including developing the curriculum and exams for this credit course. The course had approximately 45 students and consisted of one lecture and two labs a week. Content included site design, HTML, web graphics, and site management.

Webmaster and Inside Sales Rep

1995-1997 | **Rocky Mountain Bicycles, Delta, BC, Canada**

As the Webmaster for Rocky Mountain Bicycles, www.bikes.com, I worked with the marketing, sales, and IS departments on all web related business. Also, I performed as the North American Inside Sales Rep and worked with the Sales Manager on corporate promotions, event marketing, and sale promotions.
